Credit and Reference Checks

Credit and reference checks will then be carried out via a national Credit and Reference agency (www.letalliance.co.uk)

The Rent

All properties require the payment of a Security Deposit, plus one month's rent in advance. All rents are payable by standing order in advance and are due on the first of each calendar month.

You may be asked to pay an adjusted amount of rent initially to bring the rent due date to the first of each month. It is also possible to pay the full rental in advance.

Security Deposit

A security deposit will be required to be held against possible damage, dilapidation, or any other outstanding monies. This is returnable, less any such reductions, after the end of the tenancy.

Every security deposit must legally be registered with a government regulated deposit scheme. Central Property Lettings use The Deposit Protection Service scheme and The DPS will therefore physically hold and protect your deposit throughout your tenancy.

The DPS will send you notification of the registration of your deposit and will provide you with a unique pin number called a Repayment ID. It is important to hold onto this number as you will need it to get your deposit back at the end of your tenancy. Further information on this scheme may be obtained via the tenant information screen on www.depositprotection.com

Pet Policy

In the event of a Landlord being in agreement to a pet being included in the tenancy, a Pet Policy will run alongside the Assured Shorthold Tenancy agreement. An additional security deposit will be required to cover the increased risk of property damage caused by the pet. The amount will be determined by a quote equivalent to a professional deep clean of all floor coverings at the property. This will be held and protected along with the above security bond via the DPS and may be returned at the end of the tenancy. www.depositprotection.com

Initial Payment

Payment must be made either by cash, debit card or BACS credit transfer

Please note, we do not accept payment by cheque or credit card

Type of Tenancy

This will normally be an Assured Shorthold Tenancy (AST) Agreement for a **minimum term of six months.**

Commencement of Tenancy

If the property is vacant the tenancy should normally start no later than ten days from the date the application is accepted.

Keys will only be released when:

- Satisfactory references have been obtained,
- We have our clients final consent,
- All legal documentation has been signed
- Full payment is received in cleared funds

Insurance

It is a legal requirement for all property owners/ Landlords to have buildings insurance which will cover the overall structure of the property to include the roof and walls.

Buildings insurance does not, however, cover the contents of a property and it is therefore strongly recommended that tenants obtain their own contents insurance to cover their possessions. For example, if there is a leak from above and a laptop is damaged, this will not be recoverable from the landlord's buildings insurance and will instead be something that can be recovered from contents insurance. Contents insurance is optional for tenants and there are many different providers and policies available.

Utilities

When you get to the property, the first thing you need to do is take meter readings from gas, electricity and water. You then need to call the existing utility company and set up an account with them. Once the appropriate notice has been given, you may use a utility company of your choice. Please visit the website www.ukpower.co.uk which lists the contact telephone numbers for suppliers for you to contact for comparisons.
